Homework Washing

This is the way we wash our clothes...

First things first,
sort your laundry
into piles.

List what (color, white, towels, delicates, other)	How much (one load or two)	Water Temperature (hot, warm, cold)	Rinse Temperature (warm, cold)	Wash Cycle (Normal, perm press, gentle)	Water Level (Extra high, high, medium, low, extra low)	Do you need any? (Detergent, bleach, softener, dryer sheet)	Dryer Setting (Normal, low, perm press)

Laundry Home Project

Your homework is to do **three** (3) loads of the family wash. You can do more for extra credit. You will want to discuss this assignment with your parent ahead of time for special instructions. If your parent has questions, please have him/her contact Mrs. Eike at the Junior High.

You grade yourself and your parent grades you too.

Please rate your student on their laundry skills.	Good	Fair	Poor
1. Sorted clothes according to color, type of fabric, & fabric care needs.			
2. Checked pockets & pre-treated stains before washing.			
3. Used correct amount and appropriate kinds of detergent and laundry products to wash laundry.			
4. Practiced energy conservation in water usage (amount & temperature) and load size.			
5. Used washing and drying methods appropriate to garment and fabric.			
6. Was prompt in removing clothes from washer to dryer, avoiding mildew problems.			
7. Set the timer on the dryer accordingly to conserve energy.			
8. Was prompt at removing clothes from dryer and folding or hanging up.			
9. Your overall rating of your son/daughter's laundry skills.
